Shaping the Dementia Landscape

Shropshire's Dementia Strategy and Action Plan both cover the period 2014-16. In 2015 Healthwatch Shropshire was invited to undertake a piece of work to refresh the Dementia Strategy Action Plan. Working in partnership with the Alzheimer's Society, Help 2 Change, the Memory Service and the Shropshire CCG Healthwatch Shropshire ran a number of focus groups with people living with dementia their carers and service providers at the end of 2015.

This event is an opportunity to listen to the findings from these focus groups and have an opportunity to vote on the key recommendations.
